

EUROLEAGUE STANDARD PLAYER CONTRACT (valid as of 2024-25 season)

The EuroLeague Standard Player Contract (“SPC”) is aimed at Professional Basketball Players (hereinafter referred to collectively as “Players” and individually as “Player”) playing in the EuroLeague, which is administered and organised by Euroleague Properties SA (“EP”). It is based on the EuroLeague Framework Agreement (“EFA”) reached between the EuroLeague Players Association (“ELPA”) and EP.

The SPC, including all Annexes, will provide the basis for a Player’s participation in the EuroLeague as well as in domestic competitions of the Club, irrespective of whether domestic competitions require the Player and the Club (collectively referred to as “Parties”) to sign an additional standard document at national level. In the latter case, the rights and obligations must be aligned, in order to ensure compliance with the EFA and SPC regarding the Player’s relationship with the Club.

The EFA and SPC create a compulsory minimum standard for all participating Clubs and Players of the EuroLeague. In general, the Clubs and Players are allowed to deviate from the SPC only in the Players’ favour, and only if the obligations towards EP and the ELPA hereunder are not affected. The Parties may amend individual clauses due to (i) mandatory laws of the country in which the Club is domiciled, or (ii) mandatory regulations of the domestic competition in which the Club competes, as long as the main contents of the EFA and SPC are adhered to. Furthermore, if national laws or collective bargaining agreements at a national level provide for a more favourable treatment of a Player, the more favourable rule will prevail.

The SPC has to be signed by the Player and the Club and has to be submitted to EP for the Player’s valid registration in the EuroLeague. As long as the contract submitted does not meet the requirements under the EFA and the SPC, the registration of the Player for the EuroLeague may be denied, while the validity of the SPC in general is not affected.

Players with existing and ongoing contracts already in force prior to 23 July 2021 may opt out from signing an SPC. In this case, a Club needs to submit a declaration by the Player stating that he was offered to sign an SPC, but freely decided not to do so (“Player Declaration Form”). A Club must present a new Player Declaration Form together with the draft SPC offered to the Player with the Player’s registration for each season while the Player’s Contract is in force.

1. This Contract is temporary and has a fixed duration, commencing on [...] and automatically ending on 30 June [...], or at the end of the [...] season, whichever comes later *[If shorter, cross-out and establish date]. [The parties may agree on e.g. buy-out, renewal or early termination options as per Article 7/Annex VII]*
2. The Contract term may at any moment be renewed and/or modified by agreement of the Parties.
3. This Contract will become effective once the Player submits to, and successfully passes, at the Club’s sole and reasonable discretion, the required medical check-up provided by the Club in accordance with the EFA.
4. The Player acknowledges that he has disclosed all known injuries, illnesses or personal conditions that render him, or that he knows will be likely to render him, unable to perform the playing services required under the Contract. The failure to do so, will entail the right for the Club to terminate the contract per just cause in accordance with Article 12.b.

Article 3 - Duties and Obligations of the Player

- a) The Player undertakes to make himself available to participate in all of the Club's games (either official, friendly or exhibition) as organised by the Club, a domestic league and/or federation and EP.

- d) If, in exceptional cases (e.g., due to an illness or injury occurring abroad), the Player is not treated by the team doctor or a doctor appointed by the Club, he will permit the team doctor or a doctor appointed by the Club to carry out any and all subsequent examinations and take all measures which are, in the latter's opinion, relevant in this case. In the event that a disease or injury occurs during a release for national team games or a leave of absence for other purposes, the Player will make efforts to enable the team doctor, or a doctor appointed by the Club to carry out such examination as early as practically possible. To this extent and with respect to any information relevant for the contractual relationship, the Player releases the treating medical professionals from their professional secrecy obligations vis-à-vis the team doctor or a doctor appointed by the Club. The Player will request the treating medical professionals to provide corresponding information to the team doctor or the doctor appointed by the Club.

 - i. Participation in 12 commercial appearances (i.e., an event held specifically to deliver

value to a sponsor) for the Club and/or EP per season. Commercial appearances are split between the Club and EP (eight appearances for the Club, four appearances for EP; EP may grant the Club up to a maximum of two of its assigned commercial appearances per season).

- ii. One commercial appearance can last up to a maximum of 3 hours, excluding required travel time. Commercial appearances lasting longer than 3 hours will count as an additional commercial appearance per every 3 additional hours. If a Player has to travel internationally for a commercial appearance, such activity will count at least as two commercial appearances.
 - iii. The Player will be remunerated with EUR 1,000 for any additional commercial appearance for the Club or EP after the maximum number of commercial appearances for the Club or EP have been reached.
 - iv. If the Player participates in up to five brief commercial recordings or photo shoots during a Media Day, for EP and/or the Club, these recordings or photo shoots will all be accrued as one single commercial appearance for EP and/or the Club respectively.

The Club's promotional activity must not interfere with the Player's preparation for games or exceed a reasonable period of time.
 - e) The Player will not be required to make promotional or commercial appearances on two consecutive days, except during the Final Four, if contacted by the Club. 6. Apparel while on Official Club Duty

If required by the Club and/or EP, the Player undertakes to wear only clothing and other equipment as provided by the Club's or EuroLeague's sponsor or outfitter while on official club duty (i.e. playing games, training, travelling, promotional or commercial appearances).

7. Behaviour in Public; Confidentiality

- a) Within the framework or context of his activities for the Club, the Player will not act in an extremist, obscene, provoking or insulting manner. He will particularly refrain from violating the social lifestyle of a person or community of persons by derogatory, discriminating or disparaging statements or acts relating to race, ethnic origin, skin colour, sex, sexual identity, language, religion or belief, disability or age.
- b) The Player will not disclose information about his activities for the Club or about its internal affairs, which are not directed at or meant for outsiders. Unless the Club has given its prior written consent, any statements about internal affairs are to be avoided; this regulation will survive a termination of the contractual relationship for a period of five years. Internal affairs to be disclosed by the Player by virtue of administrative or judicial orders, however, will be excluded from this prohibition.
- c) Within the framework of his duties of loyalty and trust, the Player will at any time when making statements in the public domain or within his private life, behave in a manner that does not have a negative impact on the reputation of the Club, EP, the domestic league and/or the sport of basketball in general.

participation of the Player with 5v5 national teams.

9. Use of Club Facilities

The Player commits himself to immediately inform the Club and/or EP about any approach or offer, financial or otherwise, received from third parties in exchange for fixing a game (e.g., engineering a victory, draw, defeat, pre-determined result or performance) involving his own club or any other club. This obligation to provide information also applies if the Player has declined such approach or offer or refused to engage in any match-fixing activity.

c) Anti-Doping

- i. The Player acknowledges as binding on him the national and international anti-doping provisions, in particular the anti-doping regulations issued by WADA, *[as well as the anti-doping regulations of the domestic competitions in which the Player participates]*, as adopted and modified from time to time.
- ii. Prior to the season, the Club will hand out the list of prohibited substances and methods as well as any updates of said list to the Player; however this does not release the Player from his own obligation to educate himself about the anti-doping provisions issued by WADA, FIBA and the domestic competition, if applicable, which may be modified during the season.
- iii. If the Player is found in breach of anti-doping regulations, including but not limited to the use of a prohibited substance according to the relevant WADA LIST and the Player as a result of said breach is suspended from competitions or held ineligible by the competent FIBA or any other competent ruling body, the Player can be suspended without pay during the period of ineligibility or suspension. If the Player based on a final decision by the competent FIBA or any other competent ruling body is suspended or held ineligible for more than six (6) months, the Club may terminate the Contract for just cause.

12. Player Agent

Should the Player change his agent during the term of the Contract, he will inform the Club about his new agent in writing, which will be communicated to EP and ELPA.

The Club and EP may request the Player to use wearable technology in practices and/or games in accordance with the EFA. The Player has the right to refuse to use the wearable device at any time.

Article 4 - Image Rights

1. The Club acknowledges that the Player is the owner of his image rights.
2. The Player grants the Club the abovementioned rights during their contractual relationship with regard to all the activities of the Club to exploit these rights, declaring and ensuring that he has not assigned these rights to any third party. In the case that the Player has granted the Player Image Rights to an image rights company, he will be responsible that the image rights company grants them to the Club. These rights include the Player's name, nickname, initials, signature, number, image, likeness (photograph, caricature, etc.), voice, personal or biographical data or any combination, reproduction, or simulation thereof ("Player Image Rights"). and may be utilised and commercially exploited by using any technology or means currently known or hereafter invented or developed, including but not limited to TV, online platforms and video games. It is understood that the Player's trademarks (e.g., registered personal logo) are excluded, if any.
3. The Player acknowledges that the Club will grant EP all the commercial and advertising exploitation of the Player Image Rights in relation to all the activities of the Club exclusively relating to the management, organisation, promotion and commercialisation of the EuroLeague, including but not limited to filming and broadcasting audiovisual content related to the EuroLeague, licensing this content (including all scoring, statistical, performance or other data relating to the EuroLeague) to third parties, entering into partnership arrangements, producing, advertising, distributing, selling, promoting and marketing products and services including those of any EuroLeague sponsors, licensees, TV broadcasters and other business parties and including merchandise, by any means at EP's sole discretion.
4. The above rights may also be commercially exploited within the framework of a collective/centralised marketing effort undertaken by the Club in connection with any domestic competition.
5. Unless otherwise provided for in the EFA, the Club, EP or the relevant domestic league will remain the sole beneficiary of any and all profits realised from such Player Image Rights, merchandising, commercial exploitation and advertising efforts related to them.

6. The Club will maintain the right to commercialise and transfer the Player Image Rights in the above context to EP or the relevant domestic league for the time period also after the expiry or termination of this Contract, provided that such exploitation clearly refers to the period of time during which the Player was under contract with the Club, as well as to the Player's position as former player of the Club.
7. The Player remains the holder of his image rights that are not related to the activity of his Club ("Personal Image Rights"), although he may not exercise them by entering into agreements with partners competing with the seven designated partners of each Club and/or the five designated EuroLeague Partners, nor use the Club or EuroLeague brands/logos when exploiting his Personal Image Rights, unless otherwise agreed with the Club and/or EP, following consultation with the respective partner. On a yearly basis, the Club will announce which are the seven designated partners before the first EuroLeague game of the season. In the case that the Club does not announce and notify the Player and ELPA of the seven designated partners by the due date, it will be deemed as if the Club does not have such designated partner(s). Any new designated partner will be communicated by the Club as soon as possible. In the event that the Player already has an existing agreement with a sponsor of such category, the partnerships may coexist on a non-exclusive basis, provided that the Player has notified this partnership to the Club before signing the Contract. The technical apparel category is excluded; therefore, the Player is free to associate his Personal Image Rights with any technical apparel company.
8. Prior to signing an agreement regarding his Personal Image Rights with a direct competitor of an existing partner of the Club that is not one of the designated partners above, the Player will inform the Club in order for the latter to grant a matching right to the relevant partner of the Club to be exercised within 10 days of the notification by the Player to the Club.
9. Commercial activities undertaken by the Player and directly related to his status as one of the Club's players or as a EuroLeague player – e.g., generating income by granting interviews, authoring books and other activities – will require the Club's prior approval. Such approval will be granted provided the Player's activities are not detrimental to the Club's or EP's protected interests.
10. The Player is prohibited from associating his Personal Image Rights to any other basketball league, federation or competition without EP's and/or the Club's previous authorisation. It is understood that associations with the Club's domestic league and with the Player's national team are allowed.
11. The Player will have the following rights to use the EP and Club IP, in particular:
 - The EP and Club logos on the Player's digital channels (for brand building

purposes only, not to be sponsored by a partner of the Player).

- The game action pictures to be used for free on the Player's digital channels (for brand building purposes only, not to be sponsored by a partner of the Player).

Article 8 – Force Majeure

1. If the performance of contractual duties under this Contract are wholly or partially

unfeasible or are provided in a reduced or modified form (e.g., cancellation of games; games with partial or complete exclusion of spectators), for reasons for which neither the Club nor the Player is responsible (e.g., in case of a pandemic, government measures or other official interventions or similar circumstances), the Parties agree that a disruption of performance due to force majeure exists. The further legal consequences of a disruption of performance due to force majeure will depend on the respective contractual duties of the Parties, which may be affected by said disruption in different ways.

2. In case of an alteration or cancellation of the EuroLeague season by EP (not merely the postponement of games), or the complete or partial exclusion of spectators from official games of the Club either by EP or a local authority as a direct consequence of force majeure, the Club will be entitled to adjust the total net remuneration of the Player as follows:
 - a. Adjustment of the player's yearly total net remuneration (excluding bonuses and fringe benefits):
 - In the event of any cancelled EuroLeague Regular Season club's games: 2.25% per game.
 - In the event of any EuroLeague Regular Season club's home games played behind closed doors (i.e., complete exclusion of spectators) or with limited attendance (i.e., up to 30 % of the Club's usual's arena normal capacity): 1 % per home game.

 - A bonus for a team's performance in the EuroLeague may be reduced if EP cancels or otherwise modifies the EuroLeague prematurely, unless the respective bonus was already achieved before the EuroLeague was cancelled or modified. A bonus for reaching the EuroLeague Playoffs or Final Four may be reduced fully or partially if the phase for which its qualification was obtained does not takes place.
 - Individual bonuses will be awarded in full if the respective bonus was already achieved before the EuroLeague was cancelled or modified. If the condition precedent for an individual bonus was only partially achieved at the time of cancellation or modification of the EuroLeague, the bonus is reduced on a pro-rata bases according to the number of games played until the cancellation or modification.

3. The adjustment of a Player's remuneration must not exceed the total percentage of the force majeure-related reduction of the Club's net income (understood as the reduction of income caused due to the force majeure event minus the balance of costs caused by such circumstances) for the respective EuroLeague season in comparison to the net income of the last season that was not affected by the force majeure event.
4. If the Club exercises its right to adjust the remuneration as set out above due to cancellation of games, and the number of cancelled games exceeds 12, the parties agree to enter into good faith negotiations regarding the excess of remuneration reduction agreed above.
5. The abovementioned percentages will be renegotiated in good faith in case other (including domestic) competitions, in which the Club participate, are cancelled partially or entirely due to a force majeure event in the same season.
6. To the extent possible, the remuneration reduction will be split throughout the season's monthly payments, adjusted on the basis of up-to-date income reduction figures presented by the Club.
7. The Club will not be allowed to reduce the Player' remuneration by higher percentages based on individual agreements with the Player.

Article 9 - Days off

1. A Day off means a full calendar day on which the Player is not required or permitted to participate in any Club directed activities, including, but not limited to games, individual or team practices, individual or team video sessions, individual or team meetings, travel or media/promotional/commercial/charity activities.
2. The Player will have three (3) calendar days off per month, with only physiotherapy or medical treatments permitted on those days. On an exceptional basis, night travel immediately after a game which was played the day before can reach into the off day.
3. The Player will be released by the Club for the off season no later than five days after the last official game of the season with the Club.
4. For multi-season contracts, the Player will have at least thirty (30) consecutive calendar days off from the Club's organised basketball activity during the months of June and/or July unless otherwise previously agreed in writing by the Parties. The Club has the option to provide the Player with an off-season workout plan, which must be followed by the Player.

5. The Player is entitled to a minimum of three (3) calendar days off (including games), not including travel days, for birth leave, which must be close to the child's date of birth (15 days preceding or following the birth). The player should notify the Club on his intent to use birth leave at least 14 days in advance. In this case, Player's monthly remuneration is not prorated.
6. The Player is entitled to a minimum of three (3) complete days off (including games), not including travel days in case of a death of an immediate family member (partner, spouse, parents, grandparents, children, or siblings). In this case, Player's monthly remuneration is not prorated.
7. Any leave relating to Subsection 5 and 6 will be coordinated in good faith between the Parties.
8. After any major national team competition (i.e.: World Cup, continental championships, Olympic Games, excluding qualifying phases or tournaments) in which the Player participates, the Player is entitled to a minimum of 3 (three) full days off, not counting travel days, before joining the Club.

 - b) an exclusion from Club events;
 - c) a monetary penalty;
 - d) a temporary suspension, or
 - e) the termination of the contract
2. The Club acknowledges that its Team Rules must comply with the EFA.
3. The penalty for infringements will depend upon the severity of the respective violation. With respect to the severity of an infringement, especially the following aspects will be taken into account:
 - a) the importance of the breach of duty;
 - b) the kind of the breach of duty and the exact fault, particularly if the infringement occurred intentionally or due to negligence or repeatedly;
 - c) the consequences of the breach of duty for the team and the Club, and
 - d) the Player's conduct after the breach of duty.

4. In the event of a permanent infringement, a monetary penalty can be increased correspondingly. A permanent infringement will not exist if the consequences of a non-recurring violation continue to have an effect and the Player is not able to put an end to such continued impact.
5. In case the Club intends to discipline and/or sanction a Player based on the Team Rules, the sanction must be stated in the Team Rules. The Club must provide the Player with a written notification and an opportunity to be heard prior to issuing the sanction. Club's disciplinary acts should not be degrading and should not endanger or harm the Player in any way. The Team Rules will be applied in a uniform and non-discriminatory manner.
6. The Player may file a complaint before the Euroleague Basketball Dispute Resolution Chamber (EBDRC), as the case may be, challenging the Club's imposition of a penalty against the Player for a violation of a provision of the Team Rules within fifteen (15) days from the date upon which the imposition of the penalty was notified to the Player in writing.
7. The Club may likewise deduct from the Player's remuneration any financial sanction imposed upon him by the corresponding disciplinary bodies (e.g. a financial sanction imposed against the Player for which the Club is held jointly liable as per Article 11 of the Euroleague Basketball Disciplinary Code) as well as any proven liabilities incurred by the Club as a result of a breach of the Player's behavioural duties.

Article 11 - Fully Guaranteed Contract

1. The Parties agree that the contract is a fully guaranteed, no-cut agreement, which means that the Club cannot decrease the Player's remuneration or terminate the agreement should the Player fail to exhibit the expected skill, competitive ability or fails to reach an expected level of performance.
2. In the event that the Player sustains an injury or falls ill through no fault of his own, he will also be entitled to his remuneration. The same applies in case the Player has to undergo a mandatory quarantine due to COVID-19 restrictions during the term of the Contract. *[In case a Player has a pre-existing medical condition in a certain body part, the parties may agree on additional clauses to exclude an injury relating to such body part from the contract guarantee].*
3. The Player's remuneration guarantee shall not be applicable, if the Player's injury or illness results from an activity of the Player mentioned in Article 3 (10), for which the Player did not receive prior written consent by the Club.

4. The Player or his agent may not negotiate contracts with another club while the present contract is in force without the previous authorisation of the Club. Such authorisation is not required in the last 60 days before the expiry of the Contract.

Article 12 - Termination

1. The Player Contract will automatically end upon expiry of the contract term without the necessity of an explicit notice of termination. The Club agrees at the conclusion of the Agreement to unconditionally release the Player, issuing the correspondent Letter of Clearance to the Player.
2. The Contract can be terminated either
 - a. by mutual agreement between the Parties; or
 - b. unilaterally, in case of just cause. Just cause will particularly exist if:
 - the licence of the Player to play professional basketball is withdrawn or returned, not including cases in which EP denies registration of the player in the EuroLeague as a result of the club-player contract not meeting the requirements under the EFA and SPC;
 - the Player is found in breach of anti-doping regulations, as a result of said breach is suspended from competitions or held ineligible for more than six (6) months based on a final decision by the competent FIBA or any other competent ruling body;
 - the Player fails to comply with behavioural obligations, especially the prohibition of game manipulation, the non-discrimination rule, the team rules or the duty of confidentiality, to a degree that, after having taken all circumstances into account and having given due consideration to the interests of both Parties, the Club can no longer reasonably be expected to continue the contractual relationship with the Player;
 - the Player fails to disclose information as per Clause 4.D of the EFA. and Article 2.4 above, and the Player is rendered unable to perform his services because of the undisclosed fact for a substantial period of time (e.g. a severe pre-existing injury);
 - the Club has fallen into arrears with the payment of the Player's remuneration for a period of at least 60 days *[30 days in case of a temporary contract with a duration of less than four months]*. Already after 45 days *[15 days in case of a temporary contract with a duration of less than four months]* of the Club having fallen into arrears with the payment of the Player's remuneration, the Player is allowed to suspend his services for the Club.
3. A termination must be made in writing and notified to the other party. The same applies to the player's suspension of services for the club.
4. In case of the Player's unilateral termination, he has the right to seek compensation for the remaining value of the Player Contract while taking into consideration the duty to

mitigate.

5. Further claims for damages or other claims arising from this Player Contract remain unaffected.

Article 13 – Dispute Resolution and Applicable Law

1. Any controversy or claim arising out of or relating to this Contract, or the breach thereof, will be settled by arbitration, either by the Euroleague Basketball Dispute Resolution Chamber (EBDRC) or the Basketball Arbitral Tribunal (BAT), depending on the claimant's choice of forum. Once a proceeding before the competent arbitral tribunal is initiated, the chosen arbitral tribunal will have exclusive jurisdiction to resolve the matter in dispute.
2. If the claimant chooses the EBDRC, the dispute will be finally resolved in accordance with the Euroleague Basketball Arbitration Code by a single arbitrator. The arbitration will be held in English. The arbitration will be seated in Lugano, Switzerland and will be subject to Chapter 12 of the Swiss Private International Law Act irrespective of the parties' domicile. The arbitrator will decide the dispute *ex aequo et bono* taking into account the EuroLeague Bylaws, as well as EFA and/or other arrangements.
3. In case the claimant chooses the BAT, the dispute will be finally resolved in accordance with the BAT Arbitration Rules by a single arbitrator appointed by the BAT President. The seat of the arbitration will be Geneva, Switzerland. The arbitration will be governed by Chapter 12 of the Swiss Act on Private International Law, irrespective of the parties' domicile. The language of the arbitration will be English. The arbitrator will decide the dispute *ex aequo et bono* taking into account the EuroLeague Bylaws, as well as the EFA and/or other arrangements.
4. Outside a dispute resolution proceeding before the EBDRC or BAT, the Contract is governed by the law in which the Club is domiciled.

Article 14 – Data Protection

1. The Club will collect, process or use personal data of the Player to the extent permitted by law, especially to the extent necessary for establishing, implementing or terminating this Player Contract.
2. The Player will be given detailed information about the collection, storage, processing and use of his personal data in Annex I to this Player Contract.
3. A processing or use, especially a forwarding of data to third parties, for other purposes

than those mentioned in Annex I to this Player Contract will not take place, unless the Club is legally permitted to act in this manner or obliged to disclose data by virtue of law or administrative or judicial order or the Player has on a case-by-case basis given his explicit consent thereto.

Article 15 - ELPA Fee

1. The Player hereby accepts to pay the ELPA fee for the working conditions negotiated under the EFA as well as the benefits and protections warranted by ELPA in accordance with Clause 26 of the EFA.
2. The amount payable as ELPA fee is outlined in the ELPA Fee Payment Authorization Form attached to the SPC as Annex IV. The Player must either authorize the Club to deduct the ELPA fee from the Player's remuneration or opt to pay it himself by checking the appropriate box. The Club must respect the Player's choice to authorize the Club that the ELPA fee is deducted from his remuneration.
3. The Player acknowledges that all outstanding ELPA fees from previous seasons must be paid by the Player at the time of his registration in the EuroLeague or his registration will be denied. In case of outstanding ELPA fees, EP will notify the Player and the Club while the Player's registration is pending until all outstanding fees are paid.
4. The Club and the Player acknowledge that the non-payment of the ELPA fee may be considered an infringement pursuant to the Euroleague Basketball Disciplinary Code. While the payment is outstanding, ELPA has the right to withhold from the Player the benefits and protections guaranteed by ELPA.

Article 16 - Miscellaneous

1. The Parties will promptly cooperate to sign any necessary documents that may be required to fully execute the present Contract (including obtaining a Visa or similar work permit, if required).
2. The Parties acknowledge that the present Contract is the sole contract between them, unless (i) where the domestic competition that the Club participates in requires the Parties to sign an additional standard document at national level and/or (ii) a third party makes remuneration payments to the Player in accordance with the EFA. *[In both cases, any additional agreement must be clearly referenced in the Contract]*
3. The parties agree that the present Contract does not contain amendments not specifically permitted by the EFA. The unfulfillment of the mandatory provisions foreseen in the EFA, or its attempted circumvention by either the Club or the Player

may be considered an infringement of the Euroleague Basketball Disciplinary Code.

4. In the event that a provision in this Player Contract is or becomes ineffective, the effectiveness of the other contract provisions will not be affected. The ineffective provision will be replaced by an effective one coming closest to the economically intended purpose pursued by the Parties.
5. This Player Contract cannot be assigned, sold or transferred to another club without the express written consent and approval of the other Party.
6. The Player Contract has been drawn up in the English language, which will be legally binding, while further translations may be prepared. In case of discrepancies between the languages, the English language will be the authoritative version.
7. A complete or partial disclosure of the Player Contract towards third parties will not be permitted, unless this is otherwise provided for in this Player Contract and/or the EFA, or the Party is obliged to do so under statutory or legal provisions or official or judicial orders requiring disclosure, or the disclosure is made vis-à-vis a person who is subject to a professional duty of confidentiality in the exercise of its profession.
8. This Player Contract and its Annexes will include any and all covenants and agreements made between the Parties. Oral subsidiary agreements have not been made.
9. Any change, modification, amendment or subsidiary agreement as well as a dissolution of this Player Contract will be subject to writing in order to be effective. This will also apply to a modification of the written form requirement.
